AESTHETIC THAT GIVES LIFE TO STEEL
OZER CELIK

The production history of life-facilitating designs starts with a serious investment and planning infrastructure and continues with design and production integrity and goes through important stages until reaching the user.

We give life to our designs from our inspiration to our creative ability, from our production experiences to our work rigor, we add all our energy to our product and present it to the user's liking. Turkish furniture industry grows every day in regional and international arena and becomes an important power. ÖZER ÇELİK, which is Turkey's leading company in the field of office furniture and has become a 'sought-after brand' in the world, has been an important actor in this sector for years.

Özer Çelik products continue to be the solution partner and meeting point of boutique production in many important projects.

In these developments of furniture accessories and all the production concepts of furniture, our products are being used by reputable designer and furniture manufacturers in Turkey and around the world.

Exporting 75% of its production, Özer Çelik strengthens its position in the sector with each passing day and is rapidly moving towards becoming the first name that comes to mind not only in office furniture but also in other areas of furniture.

ВДЫХАЮЩАЯ ЖИЗНЬ В СТАЛЬ ЭСТЕТИКА
OZER CELIK

История производства облегчающих жизнь дизайнов, начинается с серьезной инфраструктуры инвестиций и планирования, проходит через важные этапы, и до момента их встречи с пользователями сохраняет целостность дизайна и производства.

В то время как мы воплощаем наши проекты в жизнь, мы предлагаем нашу продукцию в соответствии с вкусами пользователей, добавляя всю нашу энергию - от нашего источника вдохновения до наших творческих способностей, от нашего производственного опыта до нашего усердия в работе. Развиваясь на региональной и международной арене, с каждым днем турецкая мебельная промышленность становится важной силой. Компания «ÖZER ÇELİK», является ведущим турецким предприятием в области офисной мебели, стала «предпочитаемым брендом» в мире и много лет играет важную роль в этом секторе.

Продукция «Özer Çelik» продолжает оставаться партнером по решениям во многих важных проектах и отличным вариантом для бутик-производства.

В рамках развития в отрасли мебельной фурнитуры и всех концепций производства мебели, производимая нами продукция используется авторитетными дизайнерами и производителями мебели Турции и всего мира.

Компания «Özer Çelik» экспортируя 75% своей продукции, день ото дня укрепляет свои позиции в этом секторе и быстро движется к тому, чтобы стать первым именем, которое приходит на ум не только в отрасли офисной мебели, но и по другим направлениям мебельной продукции.
