ÇELİĞE HAYAT VEREN ESTETİK ÖZER ÇELİK

Yaşamı kolaylaştıran tasarımların üretim öyküsü ciddi bir yatırım ve planlama altyapısıyla başlar ve tasarım ve üretim bütünselliği ile devam ederek kullanıcıya ulaşıncaya kadar önemli aşamalardan geçer.

Biz tasarımlarımıza hayat verirken esin kaynağımızdan yaratıcı yeteneğimize, üretim deneyimlerimizden çalışma titizliğimize kadar tüm enerjimizi ürünümüze katarak kullanıcının beğenisine sunuyoruz. Türk mobilya sanayi bölgesel ve uluslararası alanda her gün büyüyerek önemli bir güç oluyor. Büro mobilyası alanında Türkiye'nin lider firması olan ve Dünya'da 'aranan marka' haline gelen "ÖZER ÇELİK" yıllardır bu sektörde önemli bir aktördür.

Özer Çelik ürünleri pek çok önemli projede çözüm ortağı ve butik üretimin buluşma noktası olmaya devam ediyor.

Mobilya aksesuarlarında ve mobilyanın tüm üretim konseptlerinden oluşan bu gelişmelerde, ürettiğimiz ürünler Türkiye'nin ve Dünya'nın saygın tasarımcı ve mobilya üreticileri tarafından kullanılmaktadır.

Üretimimin % 75'ini ihraç eden Özer Çelik, sektördeki konumunu her geçen gün güçlendirerek yalnızca büro mobilyasında değil, mobilyanın diğer alanlarında da akla gelen ilk isim olma yolunda hızla ilerliyor.

AESTHETIC THAT GIVES LIFE TO STEEL ÖZER ÇELİK

The production history of life-facilitating designs starts with a serious investment and planning infrastructure and continues with design and production integrity and goes through important stages until reaching the user.

We give life to our designs from our inspiration to our creative ability, from our production experiences to our work rigor, we add all our energy to our product and present it to the user's liking. Turkish furniture industry grows every day in regional and international arena and becomes an important power. ÖZER ÇELİK, which is Turkey's leading company in the field of office furniture and has become a 'sought-after brand' in the world, has been an important actor in this sector for years.

Özer Çelik products continue to be the solution partner and meeting point of boutique production in many important projects.

In these developments of furniture accessories and all the production concepts of furniture, our products are being used by reputable designer and furniture manufacturers in Turkey and around the world.

Exporting 75% of its production, Özer Çelik strengthens its position in the sector with each passing day and is rapidly moving towards becoming the first name that comes to mind not only in office furniture but also in other areas of furniture.
